

## Sample of Lesson 23 (01-03) Inventions Exhibitions

In this lesson, you will learn how exhibitions are set up and run.  
The same rules apply for children and adult inventors exhibitions.

Dear Educator,

Enclosed you will find a packet of materials for Invent Idaho 2009. They include:

- Invent Idaho Rules, Judging Criteria and Categories.
- A summary information sheet including preliminary details of the State Final Invent Idaho at DCI in March.
- A suggestion sheet for guiding work on student journals.
- Intent to Register forms for the regional conventions for both schools and districts. These are due by December 1, 2008.
